

QUICK ESCAPE FILES

3 no-prep micro escape missions for adults & couples

Open. Read. Deduce. Unlock.

01 LAST SCAN

Parcel Bay 6

Filter → route → arrange → code

02 LAST EXPOSURE

Darkroom 3

Logic grid → schedule → code

03 FINAL REEL

Booth 2

Sequence → timeline → code

DISHANTRA ADVANTAGE

Three genuinely different deduction structures. No host setup beyond opening or printing. No QR codes, locks, hidden clues, apps, internet or outside trivia.

A4 + US Letter · colour + ink-friendly editions · no answer depends on colour · progressive hints + full solutions

LAST SCAN: PARCEL BAY 6

23:50. The last overnight truck seals at midnight. One Priority parcel is in the wrong stream and Bay 6 is locked in audit mode.

MISSION

Identify the parcel, trace its conveyor route, place it on the dispatch rack, and recover the manual release code.

1

FILTER

2

ROUTE

3

ARRANGE

4

UNLOCK

NO APP · NO INTERNET · NO CUTTING · NO PROPS

No logistics knowledge required · self-contained · hints optional

MISSION 1 • CHECKPOINT 1

Start here

Use all surviving parcel facts together. One manifest row matches.
